"CATCH-22"

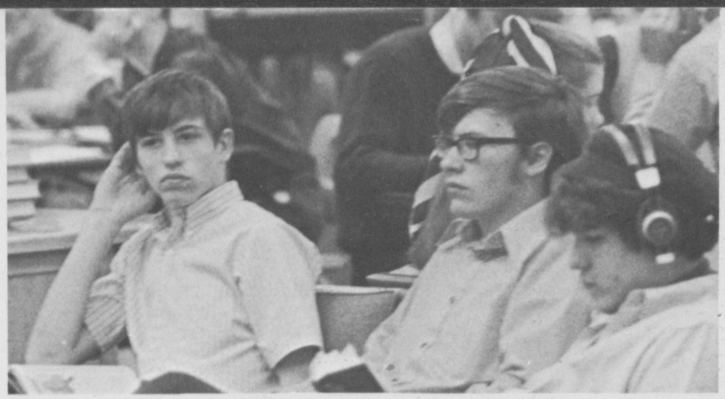

IS THE MOST MOVING, MOST INTELLIGENT, THE MOST HUMANE — OH, TO HELL WITH IT! — IT'S THE BEST AMERICAN FILM I'VE SEEN THIS YEAR!

It comes as close to being an epic human comedy as Hollywood has ever made! Alan Arkin as Yossarian provides the film with its continuity and dominant style. Arkin is a deadly serious actor, he projects intelligence with such mono-maniacal intensity, he is both funny and heroic at the same time. Mike Nichols remains, as he was before, one of our finest directors.

We are all different.
We cannot be the same.
We live different lives
And sing different songs
And tell different jokes.

We are all different.
When day ends
We leave school for different homes
On different routes.
Some clamber into cars
Others take to buses
And still others walk —
Alone
Or with friends.

We are all different.
We cannot be the same.
But we can work together.
We can strive for common goals
And common hopes
And
Common dreams.

MADISON HAS MANY FACES

We are friends and sons and daughters of construction laborers, teachers, businessmen, politicians, professors, teaching and research assistants, housewives, secretaries, students, and hundreds others.

We have hangouts: the shops, in spite of "closed lunch"; the affluence of Hilldale and West Towne; the color and intrigue of State St.; and the Square, in whose middle the Capital towers.

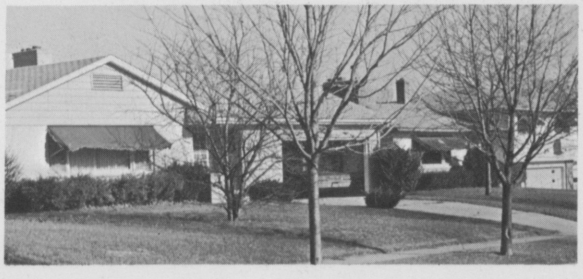

And the faces of our homes are different also.

WE HAVE MANY FACES — NONE ARE THE SAME

1970 WAS THE YEAR OF:

the invasion into Cambodia . . . the gradual withdrawal of troops from Southeast Asia . . . the killings at Kent State and Jackson State . . . the rise in organized revolutionary guerilla warfare . . . the inflationary-recession . . . the U.S. postal workers' strike . . . the increasing drug epidemic . . . the trial of Lt. Calley . . . the trial of Charles Manson and followers . . . the trial of Bobby Seale . . . the trial of Huey Newton . . . the trial of the Chicago Eight/Seven . . . the rhetoric of Vice-President Agnew . . . the 1970 elections (not the swing to the right as predicted) . . . the limping home of the Apollo 13 mission aboard a crippled ship . . . election of Wisconsin's first four-year Governor, Patrick Lucey . . . and locally the comical topless-bottomless controversy of Madison's night spots . . . the record sixteen-inch blizzard . . . the Wisconsin rock festivals, some peaceful, some not . . .

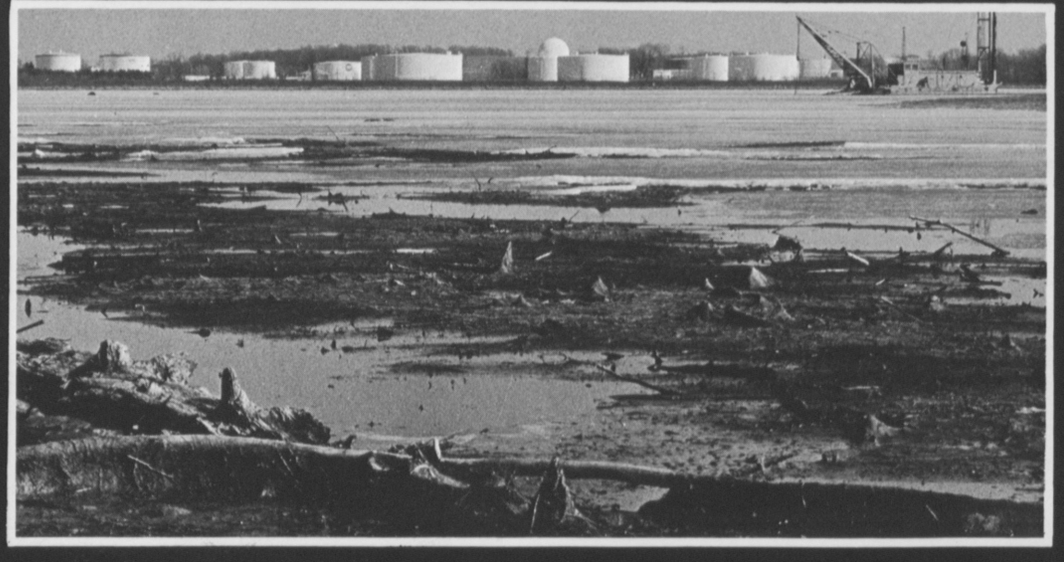

and the deaths of

GAMEL ABDUL NASSER . . . CHARLES DEGAULLE . . . VINCE LOMBARDI . . .

JIMI HENDRIX . . . JANIS JOPLIN

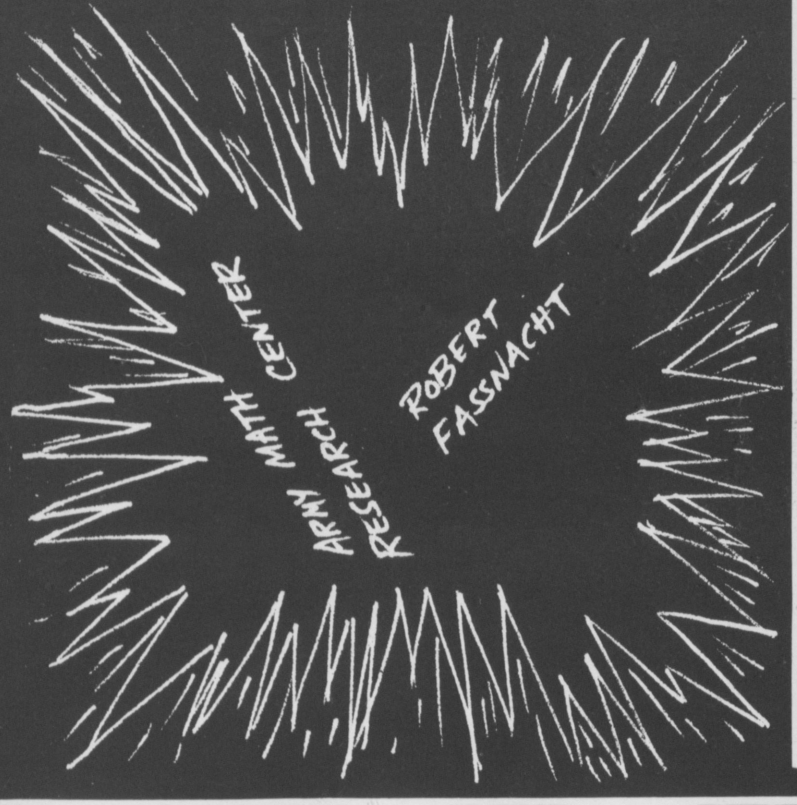

For some, Women's Lib was a joke; for others, serious business

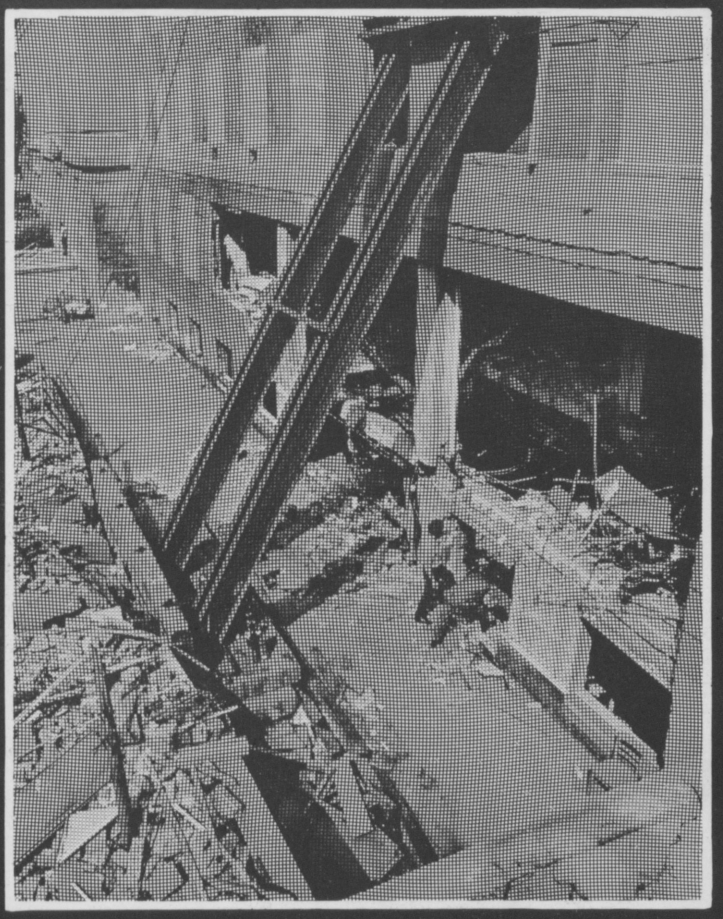

We saw finally what prosperity was doing to our environment

THE VIOLENCE OF WAR CAME HOME TO US . . .

WEST GETS OPEN LUNCH--MAYBE

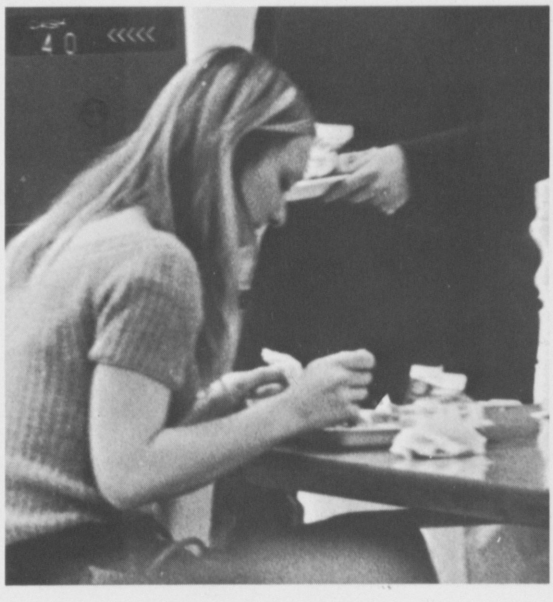

Spencer Outlines Plan

"On October 29, Dr. David Spencer released the plans and procedures for an open lunch program here at West and the conditions on which the implementation of the program would depend.

In the plan, the Student Senate is asked to direct procedures for improving the cleanliness and general appearance of the cafeteria-commons, restrooms, and hallways.

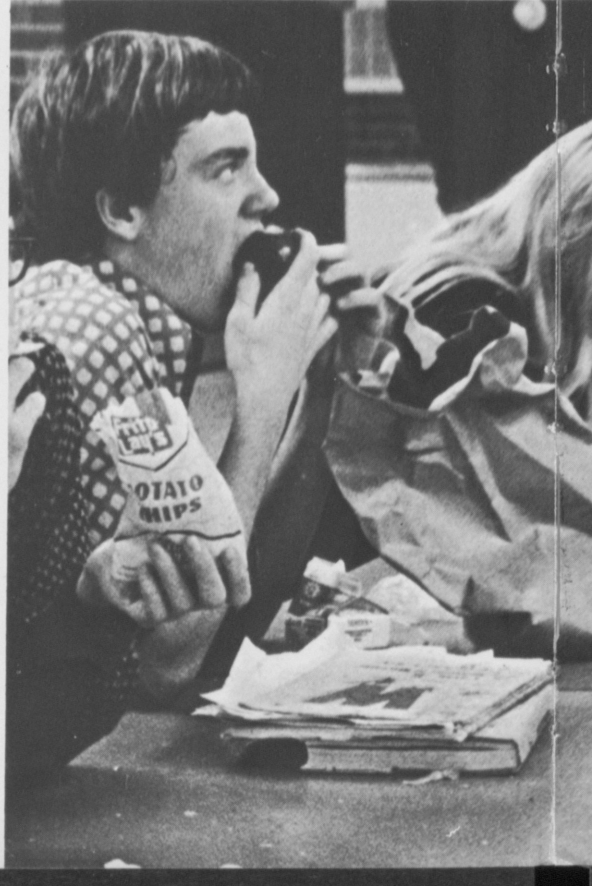

If, by February 1, based on the committee's recommendation, the condition of these facilities has improved to a sufficient degree, a trial open lunch would be implemented. If this trial open lunch proves successful, total open lunch would be inaugurated on March 1, allowing students to leave school grounds during lunch periods."

THREE VIEWS ON SMOKING

WEST HIGH SCHOOL
SMOKING PRIVILEGE

While the school realizes that cigarette smoking maybe harmful to one's health,we as parents gave

permission for .....
to smoke in a designated location outside the building during specific hours. (11 a.m.-1 p.m.)
Our signature indicates approval.

We've got a lot of ways you can smoke a little:

Would Include Teachers, Administrators

Total Ban On Smoking In Schools Proposed by Marcus

The decision to allow high school students the right to smoke in school involves many factors. To reach that decision, we must consider the effect that the present policy has on students who smoke, students who don't smoke, and on the total school population as well as considering what the position of the school should be. In my view, these effects are all negative. It would be beneficial to all parties to have a change.

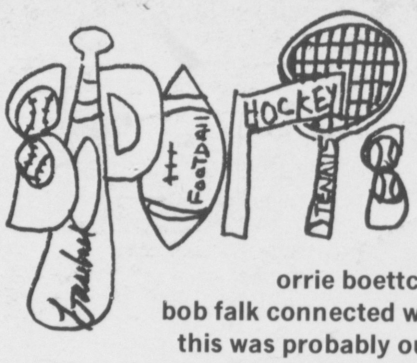

The student who smokes has a problem. He has acquired a habit, one which, while it may be hazardous to his health, has become acceptable in our society. If he pursues his habit outside of the school, it is perfectly legal. Inside the school he is subject to disciplinary action, suspension, and even expulsion; all because he practiced his legal habit.

The student who doesn't smoke faces the problem too. His use of the lavatory becomes restricted because of the smoking student's situation. Lavatories are unsanitary. The air is almost unbreathable and the vision is even impaired because of the stale, smoky haze that hangs over the room.

The entire school suffers. Students are tremendously unhappy with the situation. Particularily when they see the only reason for their restriction is that they are students.

So what should we do? Recognizing the health hazards of smoking, I still believe that we must accept that it exists in the school and provide a place for it.

Strange rumors have been heard concerning the WEST CROSS COUNTRY TEAM.
Bill Selbo is a towel snapping wizard? Leyroy is a greaser?
Coach Loker takes pre-race jogs? Coach Evans holds rap sessions?
The team says they enjoyed the great cheering section (ha ha ha.).
But they do admit that the cheerleaders were a great addition to bus rides.
Can it be that there were mixed up sweat suits and that
Don Fass got a jaywalking ticket while running?
But what ever it was our regent runners did a great job.

but they finished with more trophies and titles than any of the other fall sports. Our runners showed great ability in scaling steep hills, and took first in the hilly Fort Atkinson and Richland Center Invitationals. We were the Big Eight and State Sectional Champions, and came in seventh in the state. Memorial lucked out and beat us by one point to leave us second in the city.

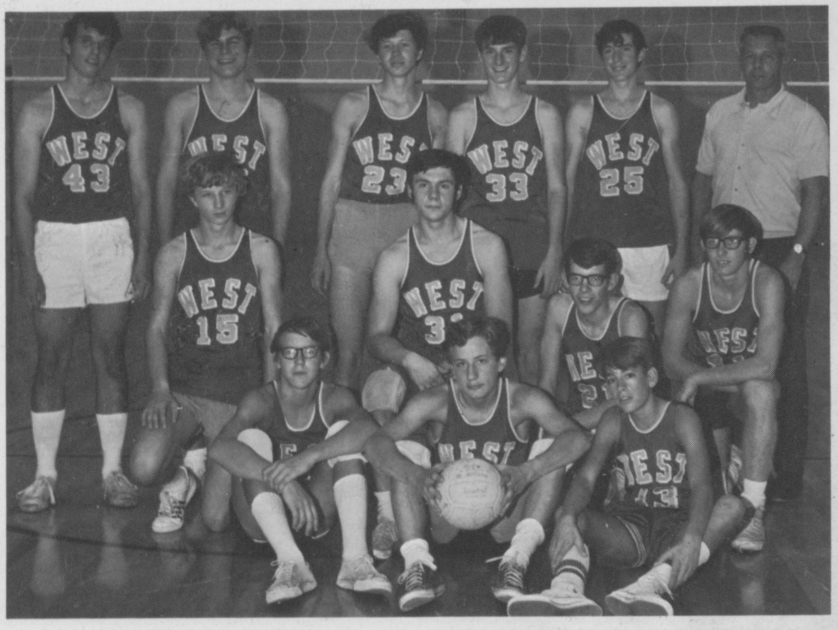

West High's VOLLEYBALL team was one of the big success stories of 1970. Competing for the first time in their spacious new volleyball arena, the netters compiles a 10-3 record and won an unprecedented 4th straight city title. Among the legendary figures who contributed to smashing upset victories over such powers as Madison Memorial, Sun Prairie, and Brodhead, were All-Staters Doug Bower, Kimm Johnson, and Dave Kurtz, plus Tom Lange, Brian Leigh, Jeff Bruns, and Perry Johnson. Coach Jim Stevens was named Wisconsin Volleyball Coach of the Year and received an autographed turkey as a token of the team's thanksgiving. Thousands of screaming fans followed the Regent's exploits all the way until their heros finally suffered a heartbreaking defeat in the Baraboo Sectional.

The **girl's interscholastic volleyball teams** did not do quite as well. But then, first year teams never do. Give the girls another year or two and then, volleyball fans, we will have two great teams to cheer on to state.

or the SOPHOMORE 4-LAKES teams.
Both teams compete against teams
of about the same caliber from other schools.
This year's Sophomore Junior Varsity
had a winning season
and hopefully their talent
can help out next year's teams.
Mediocre is a good word to describe this year's
JUNIOR VARSITY which finished with a 2-4 season.
But — winning's not everything!?

JUNIOR VARSITY — **Front Row:** Tom Olshanski, Bob Emmerich, Rick Johnson, Rick Uehling, Bob Curry, Frank Best, Bob Mills, Craig Arms, Don Dolphin, Tony Gandolph. **Back Row:** Calvin Taylor, Jeff Strother, Bob Boyd, Jim Crone, Kevin Stuart, Jeff Nania, Tom Garrott, Duane Sundt, Rick Swartz, Dave Annen.

Last but not least come this year's
JUNIOR and SENIOR 4-LAKES team,
definitely an elite group
which had this to say:
"Well I don't know if I could tell you
the scores of all our games. All I know
is that we got smeared in all of 'em"
Words from this teams' inspiring coach:
"You can't have an art teacher coach football.
What can you expect?!"

4-LAKES JUNIORS AND SENIORS — **Row 1:** Bob Olsen, Ron Solberg, Rob Sunde, Bill Beckman, Dan Ficken, Craig Klosterman. **Row 2:** Bob Phillips, Jeff Korenic, Rick Schilling, Jeff Reis, Mike Knipfer. **Row 3:** Randy Bloomfield, Craig Hungerford, Pat Murphy, 526 Coach Hunt, John Dowling. Missing: Tim Rice, Dave Brader.

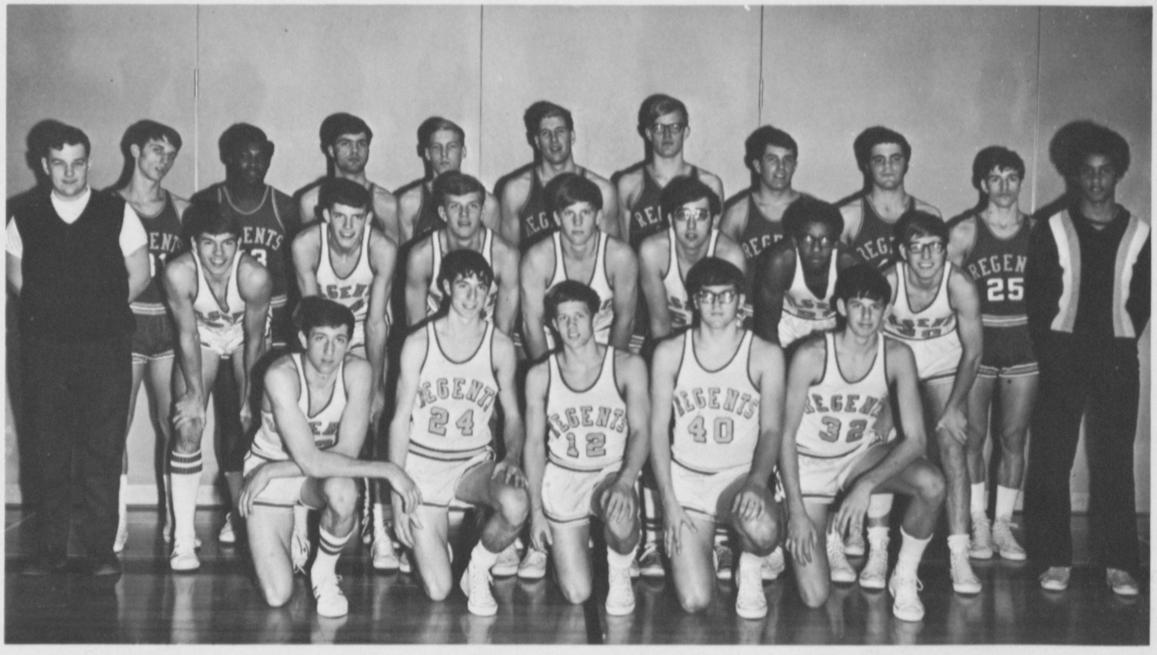

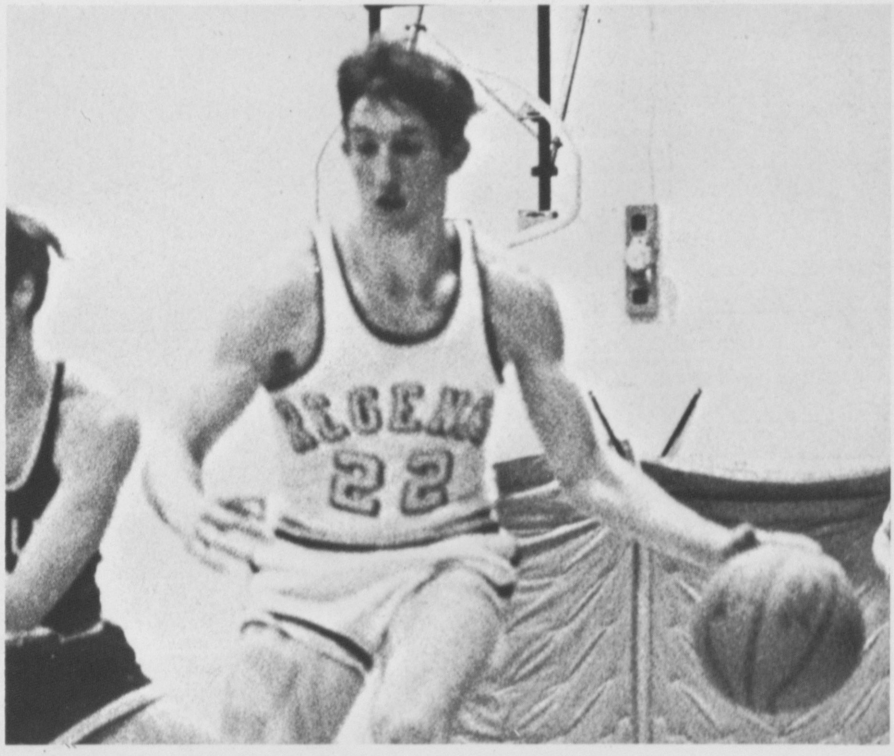

Doubt swept West — one of last year's tournament teams was coming.
Could we face the challenge?
You BETCHA! 86-64 West over Wausau East, in a great opener.
Everyone played well, and Coach Stevens was pleased.
Guard Bob Falk was top scorer with 27 points . . .
John Kingston, treated the crowd and dazzled Reedsburg
with his ball handling and offensive assists
and earned 12 points, with Falk making 36, and
Bennett earning 14, it was an easy 86-60 victory.
. . . The fans were pleased, if the coach wasn't,

VARSITY AND J.V.: **Row 1:** Bob Falk, Brian Leigh, Terry Dickinson, Mike Mahoney, Mike Stansell. **Row 2:** Mgr. John Ericson, Steve Bennett, Jim Gardner, Glen Schultz, Tom Ritchie, Steve Amoto, Calvin Taylor, Tom Goldsworthy, Mgr. Frank Best. **Row 3:** Rick Johnson, Ira Alexander, Eric Olson, Bill Gardner, Bob Johnson, Dale Schultz, Jim Hill, Brent Smith, John Kingston. **Missing:** Dan McCarthy.

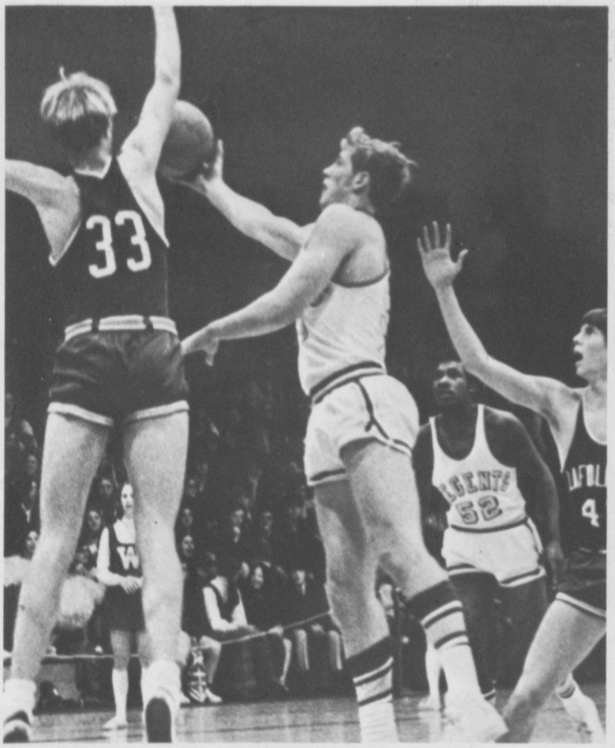

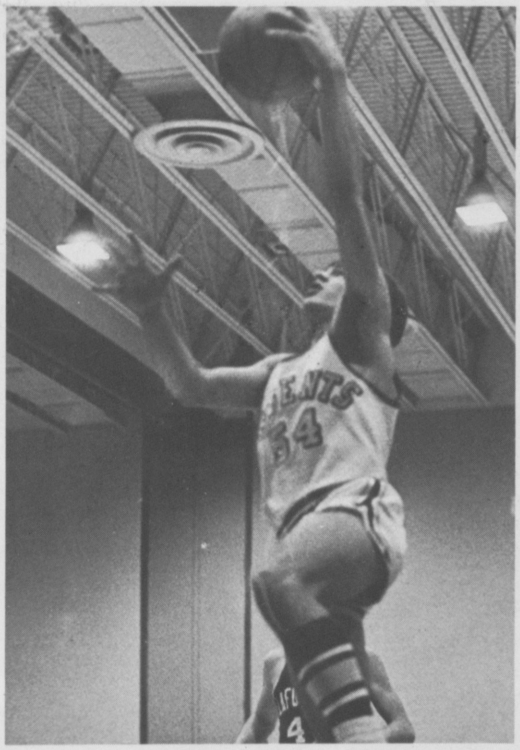

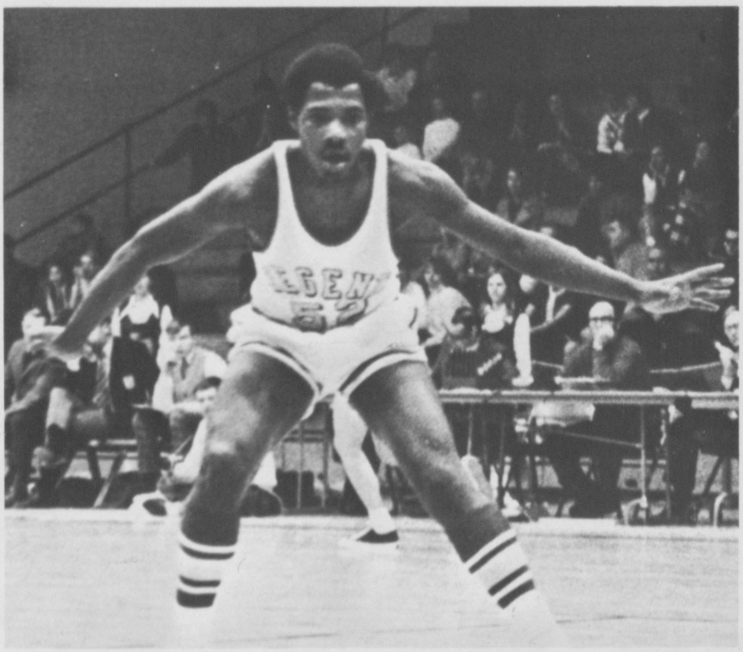

as we managed to defeat Memorial 63-45
in a mediocre, mistake ridden performance . . .
Falk, ripped the cords for 43 points,
and Johnson ruled the boards with 20 rebounds to
give us an easy 97-78 victory over Milwaukee Marshall . . .
Ira Alexander had a fantastic game
taking scoring honors with 21 points,
but to no avail as we still lost 67-60
to the Beloit Knights, who we have not
been able to beat at Beloit in over a decade . . .
If there ever was a slow first quarter, this
was it, 6-8. But at last we warmed up,
Bennett became deadly from the corner,
and gave us 23 points to help
defeat the Lafollette Lancers 58-50 . . .

Things looked bleak at halftime
as Parker led 41-27, but we started to move
late in the third quarter, and cut the lead to
52-50. It was close down to the finish
before McCarthy, Kingston, and Smith put it away . . .
Forty two seconds showing on the clock,
Falk to Schultz — Schultz puts it up, and IN.
We regained the lead and defeated last years
State Champions, Appleton East, 50-47 . . .
East took the first quarter 18-9
and ended the first half with a 10 point lead.
But Johnson and Falk led an uphill battle
to bring us even 65-65 and send us into
overtime, where we out scored East 8-0,
and won the game 73-65 . . .

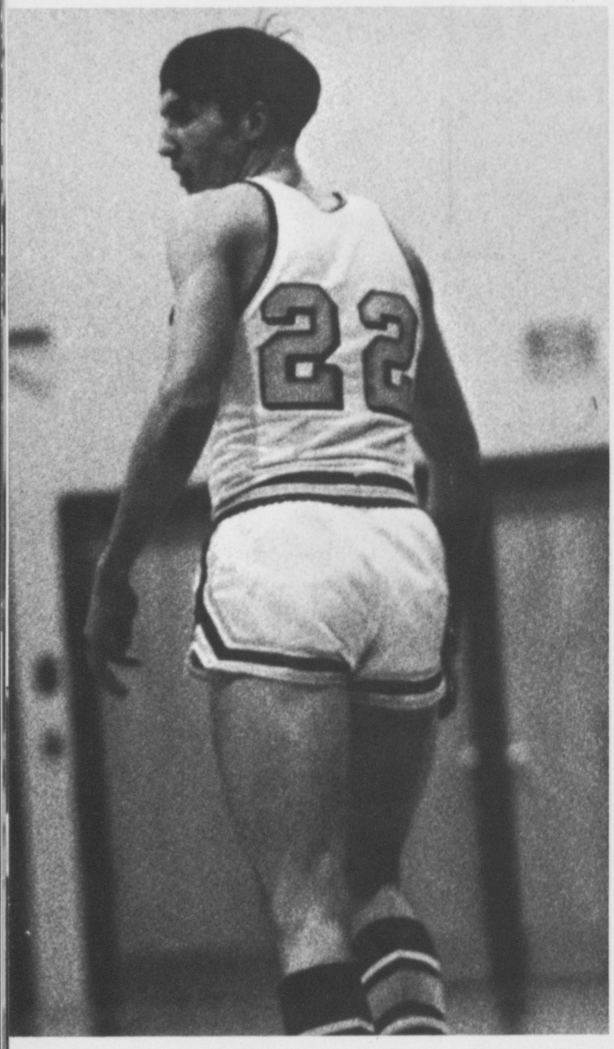

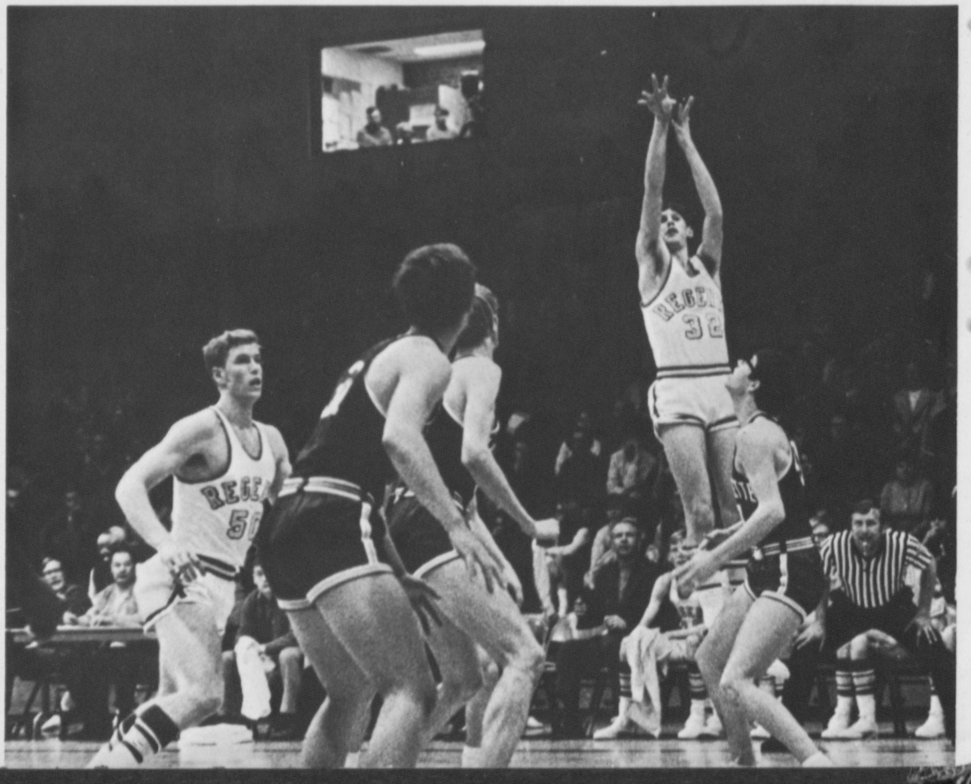

Just for a change, West jumped to an early 10-0 lead. Unfortunately Janesville Craig warmed up, especially Tim Paterick who tallied 34 points. Down by seven at the half, we managed to get ahead once, 60-59, in the 4th quarter, but Craig regained the lead with 4 minutes left and won 73-67 . . . West beats Memorial 67-59 in a very physical game, where Falk, Johnson and Stansell fouled out. We took the lead early and were only threatened once . . . Despite a 14 point halftime lead, we almost lost, but Bob Johnson who played superbly and earned 20 points, gave us another chance with a last second, tying, free throw. The overtime seesawed back and forth,

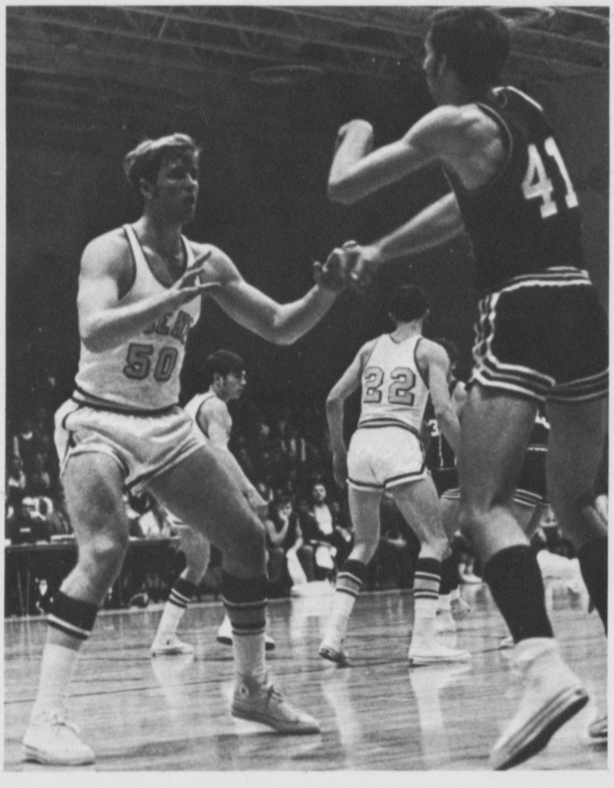

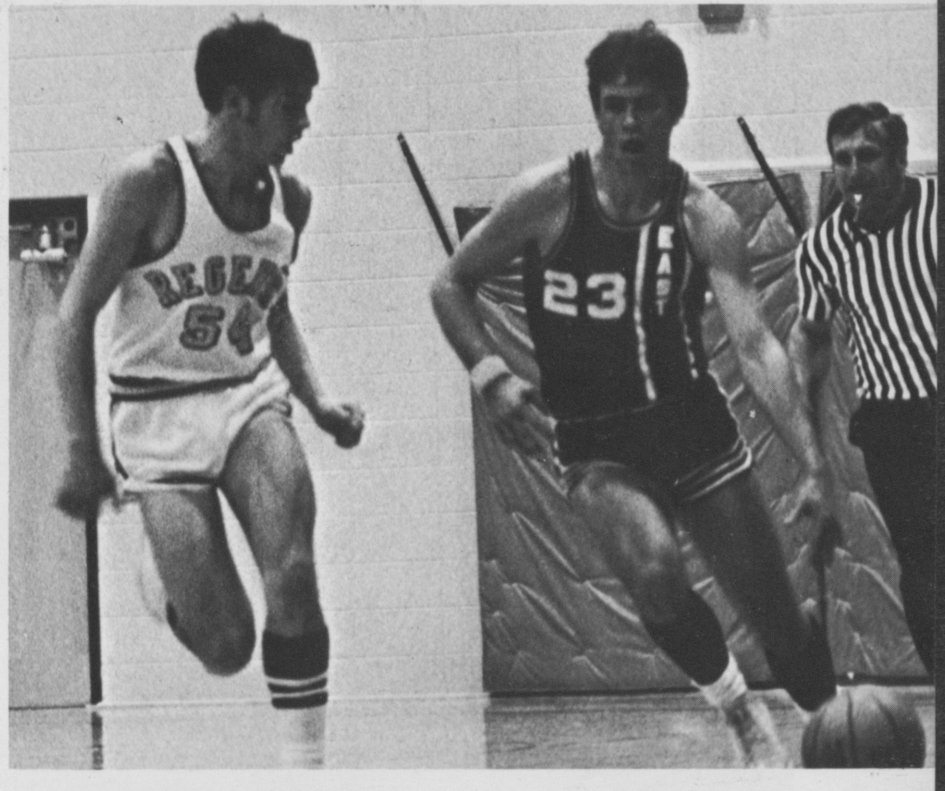

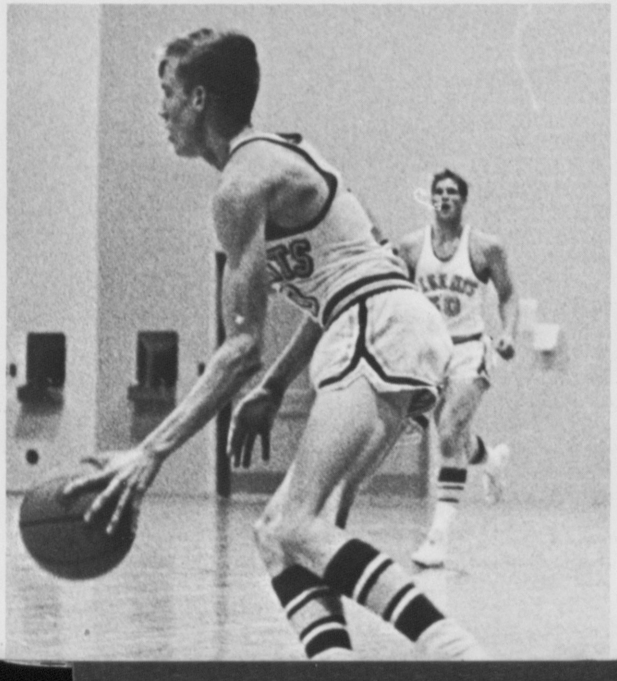

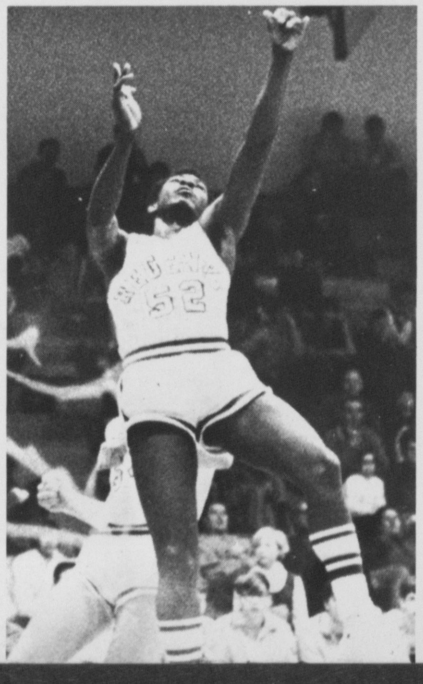

but Falk drilled one in with 2 seconds remaining, to avenge our loss and beat Beloit 62-60 . . . West's starters, who destroyed Lafollette 53-23 in the first half, sat out second half and let the "benchmen" play. They looked good and defeated the Lancers 77-51 . . . Parker proved to be no pushover. We got off to a slow start and Janesville didn't. Somehow we squeaked by with a halftime lead of 44-39, which we lost, to fall into a tie-win-lose-tie game, which ended happily 79-77 with Schultz's last second shot . . .

Down by 8 points after the first 4 minutes, we called time out, regrouped and went on to tie the score and beat East in overtime, 77-75. Gardner with 11, Johnson with 16, Stansell with 23 points were key players offensively and defensively . . . Paterick won the battle and Craig won the war as Janesville Craig defeated our Regents, 83-74 in the last game of this season . . . Height and the odds were against us, but to finish with a 16-3 record, a City Championship and 2nd in the Big 8 is GREAT.

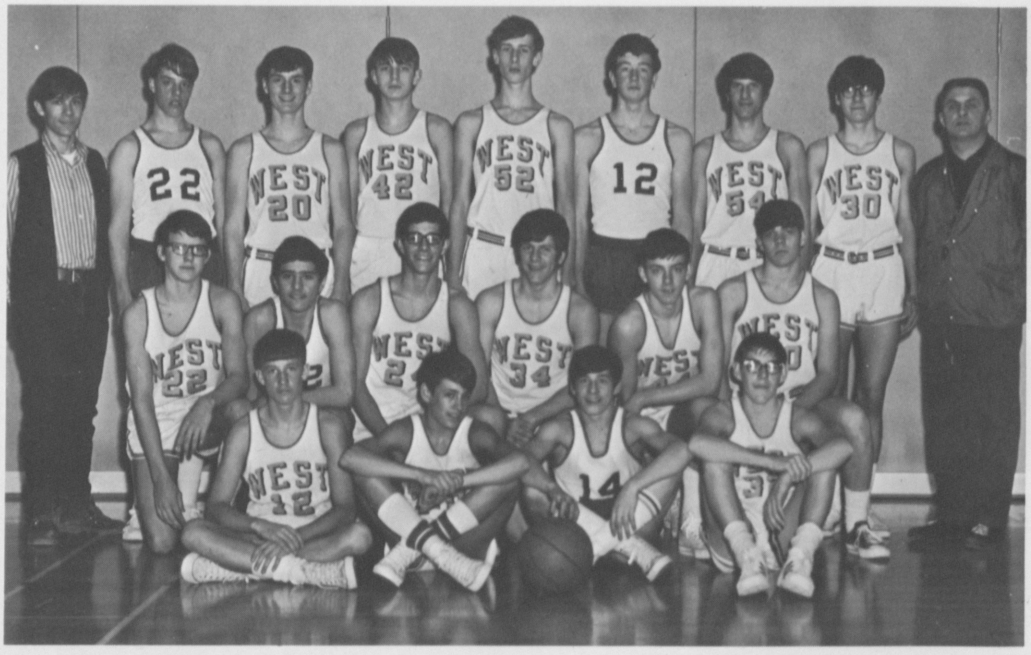

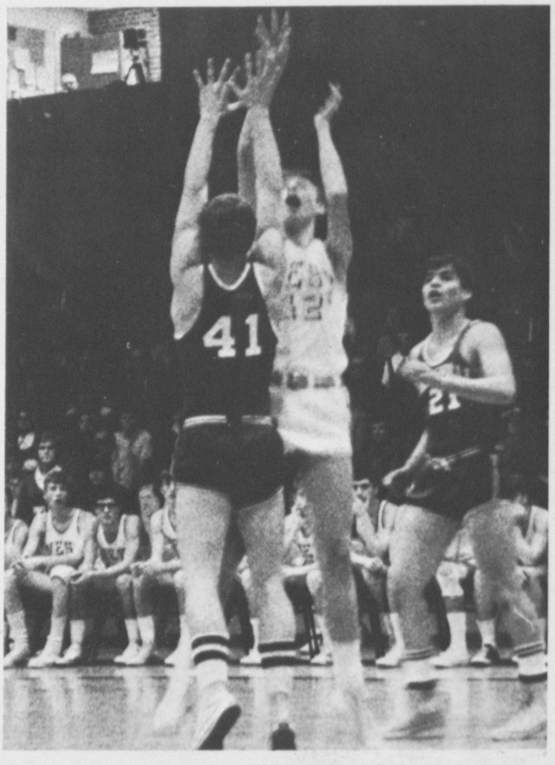

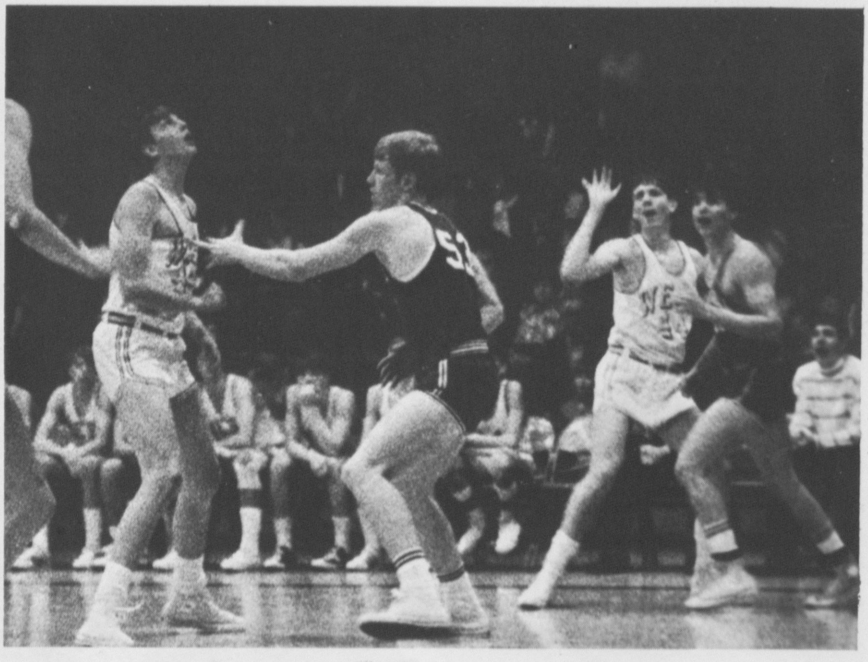

This years' SOPHOMORE TEAM
comprised of the stars from
last year's Junior High teams,
did not quite break even,
finishing with a loss to Janesville Craig
and earning a 5-7 record.
If the Varsity couldn't do it
the JUNIOR VARSITY did.
As they lost only two games
to come in first in the conference.
This was only the second year that
West has had a junior varsity team
and already they are "champs."

SOPHOMORE TEAM: **Row 1:** Todd Narowitz, Jeff Bruns, Chris Gentilli, Greg Knoche. **Row 2:** Steve Borgwardt, Marc Meyer, Joel Nanial, Chris Goodrich, Lee Henderson, Steve Myrland. **Row 3:** Mgr. If you like to play basketball
all you have to do,
is find five or six other guys from your grade
and form a 4-LAKES team.
This year West had 33 teams
competing in the city wide organization.
Three of these teams finished
in the top of their leagues.
and fourteen of these teams
are still in Tournament play.
WOW!!! Look at that STYLE, that FORM
that DETERMINATION.
Who are they?

They call themselves, the
WEST GIRLS INTERSCHOLASTIC BASKETBALL TEAM,
the 1st girls basketball team in West's history
to compete against other schools.
They practice every night after school with
Coach Walker, and sometimes Coach Stevens
drops by to give a few hints.
There are two girls teams, Team A,
which has their own Bob Falk, making them
Unbeatable and high contenders in the
State Tournament. Team B is always
in there fighting. They will never forget
their famous motto, "LET'S GO!"

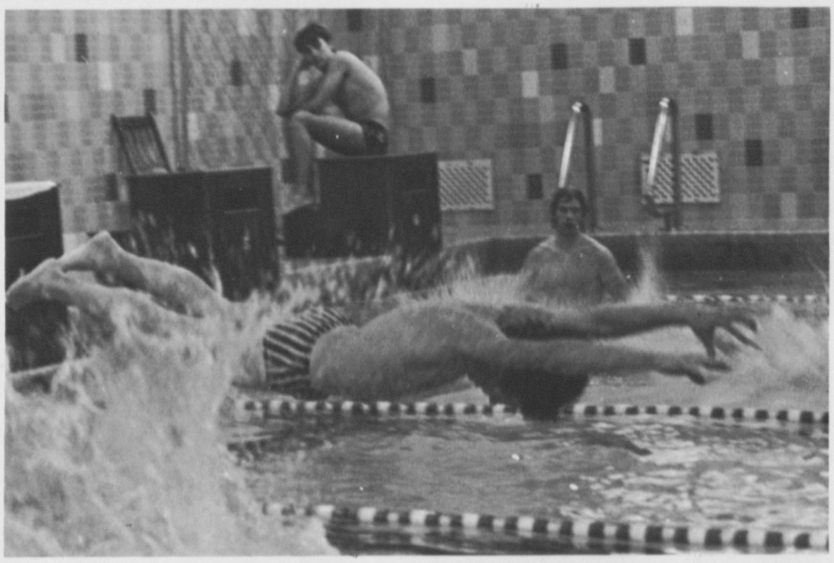

Starting slow the FISH came on hard at the end of the season, and finished high in the important meets. Led during the season by captains Dan Baer, and Don Dolphin, REGENT SWIMMERS could manage only a 3-5 dual meet record against tough opponents which included one Illinois team. In the invitational meets, West placed 10th in the Beloit Invitational and 11th in the Janesville Invitational. Showing more prowess in relay meets, West placed 4th in the Janesville Relays, only 9 points behind winner Memorial, and 5th in the Waukesha Relays, against some of the

SWIM TEAM: **Row 1:** Jim Cunningham, Conrad Lawrence, Kurt Oldenburg, Tim Critton, Bob Wallace, Tim Starr, Steve Swick, Jeff Brown. **Row 2:** Don Dolphin, Dave Vincent, Mark Schulte, Dave Carbon, Mark Schroeder, Mike Wallace, Phil Hinrichs, Steve Law, Eric Grimm. **Row 3:** Bob Curry, Tom Vergeront, Paul Fugere, Ray Baer, Mike Bernd, Chris Siehens, Craig Samson, Dan Baer, George Benish, Chris Butler, Mgr. best teams in the state. Under the great direction of coach Tom Hargraves, West upset both Janesville teams to place 3rd in the Big Eight Conference Meet, only 10 points behind champion Madison East. Behind the splashing performance of Don Dolphin, we placed swimmers in four events for the State Meet. Qualified were: the medley relay which included Dave Carbon, Steve Law, Dan Baer and Bob Curry; Don Dolphin best in the 50 and 100 free; and Ray Baer in the 400 freestyle. Graduating seniors are, Mike Bernd, Phil Hinrichs, Craig Samson, Mark Schulte, Dave Vincent, and captains Don Dolphin, and Dan Baer. For all of you who love swim meets and can't wait for the boys season to start we invite you to come see the GIRLS SWIM TEAM which swims in the late fall. In the past there has been a "Catalina Club" which swam only in the city and state meets. This year a regular team was formed that competed in seven meets, winning two, tying one, coming in second in a triple meet, second in the City Meet, third out of 11 in the Sectional, and 6th out of 33 in the State. It was a good year for the Girls.

GIRLS SWIM TEAM: **Row 1:** Janet Sater, Barb Law, Lynn Freidman, Sue Sprain, Kathie Law. **Row 2:** Patty Englke, Leslie Brodhead, Debbie Treichal, Joanne Jensen, Laura Brown, Robin Harshaw. **Row 3:** Katie Bockoven, Judy Seybold, Laura L'Hereux, Lisa Hefty, Joan Sample, Janet Beatty, Elsa Schwarz. **Missing:** Darie Damron, Julie Reis, Sue Togstad, Kris Topp.

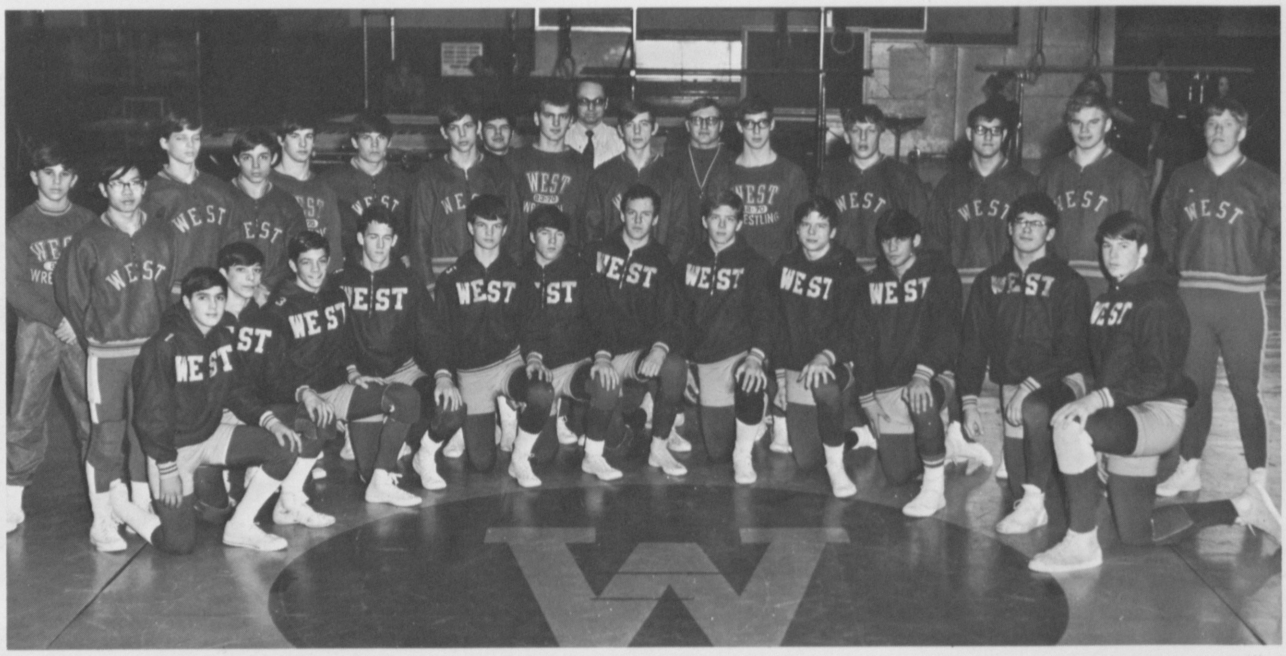

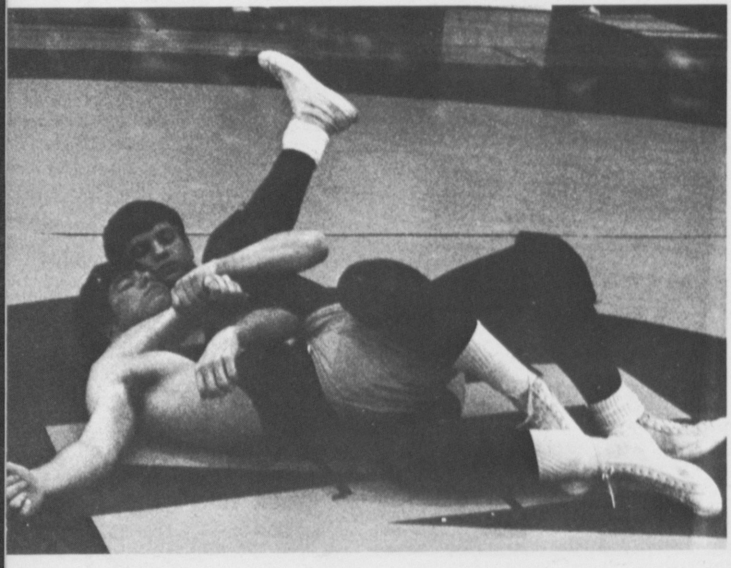

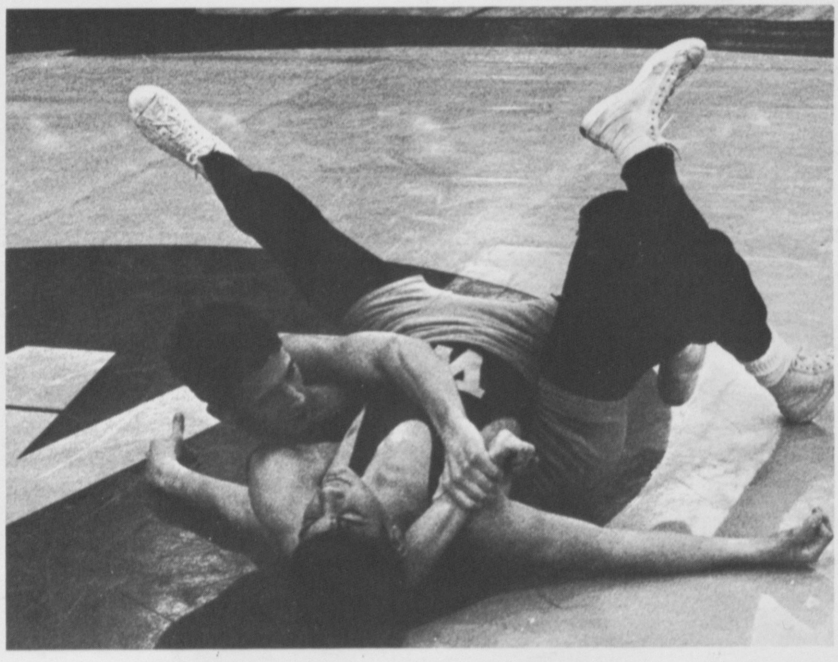

WEST WRESTLERS
Even with a 2-12 record
Coach Husby would say it was a successful year.
Why? — Because of the boys on the team.
They are young —
six sophomores on the varsity and only two seniors.
They are willing —
the upperclassmen were leaders
and the sophomores had spirit.

WRESTLING TEAM — **Row 1:** Gary Martinelli, George Parisi, Dan Lindau, Carig Horswill, Mike Lunda, Stan Lynch, Bob Olson, Chris Kimball, Rich Somer, Bill Breitenbach, Kip Conley, Ken Witte. **Row 2:** Jim Rubnitz, Dave Yee, Steve Gray, Mark Bunson, Scott Turner, John Monson, Tim Vesperman, Asst. Coach Brachman, Scott Herrmann, Coach Zabel, Steve Johnson, Coach Husby, Phil Eichman, Bob Kerl, Duane Sundt, Steve Glad, Dave Colby. **Missing:** Ralph Johnson, Steve Toltzien, George Lulling, Bill Whisenant, Dave Cornelius.

They always felt they could win
and they kept trying.
It finally paid off as they won their last two
matches defeating Madison Memorial and Waunakee.
We went on to finish sixth
out of twelve in the regional.
Coach Husby called this a "rebuilding year."
They started with only two seniors
captains Bill Breitenbach and George Parisi,
and had to build from there. They've
made real progress, and next year looks good.

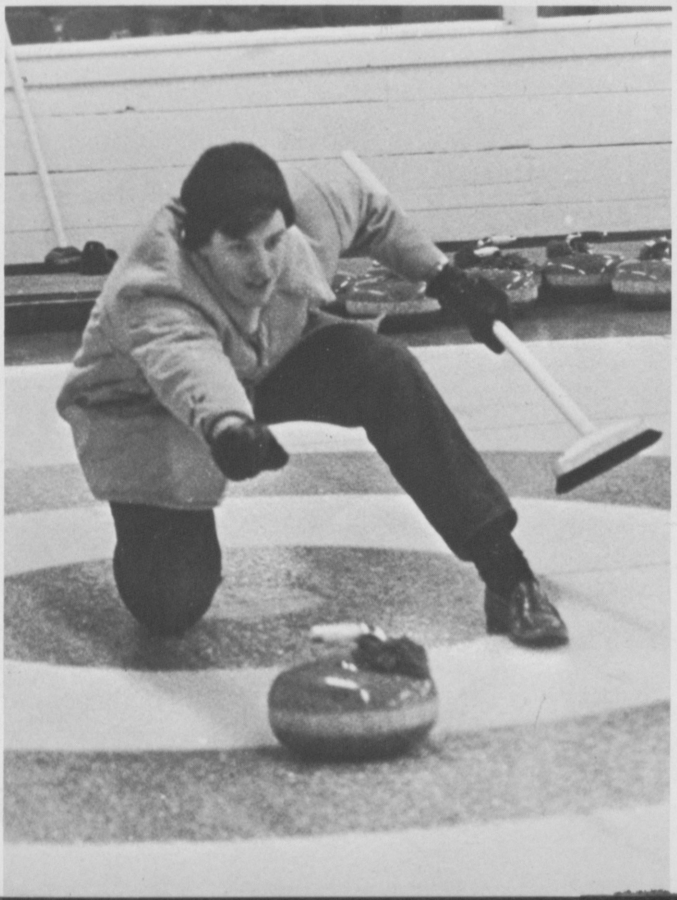

CURLING TEAM: **Row 1:** J.V. Gary Sutcliff, Dave Schultz, Bill Norsetter, Doug Drives. **Row 2:** Varsity, Mike Koch, Bruce Bohannan, Dave Rogers, Rick Hunt.

CURLING BUILDS MEN

This years' men of various personalities, Mike Koch-the pessimist, Dave Rogers-the critic Rick Hunt-the avenger, and Bruce Bohannan-the dreamer, had a very eventful season. At one point Bill Norsetter and Mike Koch were to be offered to the gods.The gods liked the idea and blessed the team with a victory. But when no offering was received, the gods became angry and cursed the Curlers making them lose the next four games. This evened off their season and made the record 5-5. Our wins were: twice over East, twice over Portage, and once over Lodi. But the real highlight of the season was when a spectator (ONE) showed up at one game.

Even with a HOCKEY record of 12-3-1
Coach Hable would call this
just a "fair" season.
He was often disappointed
by individuals not developing,
with attitude problems,
and by the general lack of team spirit.
Despite these handicaps
Coach Hable admitted that the
team did play well together.
Probably their best game of the season
was the first match against East
which they won 6-3.

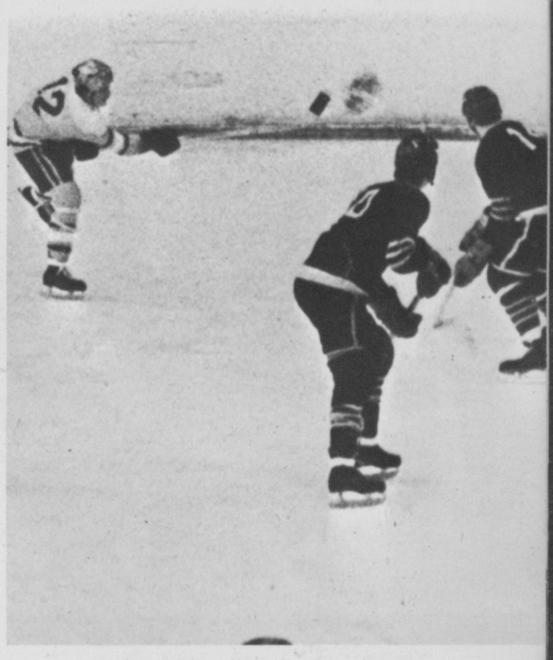

In this match they
"played the best, shot the best
and hustled the most."
This may have been the best game
but it was only one of the twelve wins:
West over Milwaukee Univ. School 2-2
West over Madison East 6-3
West over Janseville Parker 9-3
West over St. Paul Mechanic Arts 7-6

HOCKEY TEAM: **Row 1:** Paul Stitch, Dan Ficken, Bob Fuller, Tom Ryan, Bill Prince, Chip Annen, Don Collins, John Cardarella. **Row 2:** Steve Kirley, Dave Annen, Pat Ryan, Tom Odell, Forrest Lipke, Dick Landgraf, Jay Simon, Jim Teasdale, Dave Bryant. **Row 3:** Tim Rice, Jeff Reis, Tom Beckert, Steve Stine, Tom Patzer, Scot Westervelt, Mike O'Brian, Mgr. Tom Colby.

West over St. Paul Central 11-2

West over Madison LaFollette 7-1
West over Janseville Craig 6-5

West over Janseville Parker 13-1

Two of our losses came in our 2nd and 3rd games, against two extremely tough Hopkins, Minn. teams who beat us 7-1 and 7-2.
We lost one more, and that was to Madison East 4-2, who

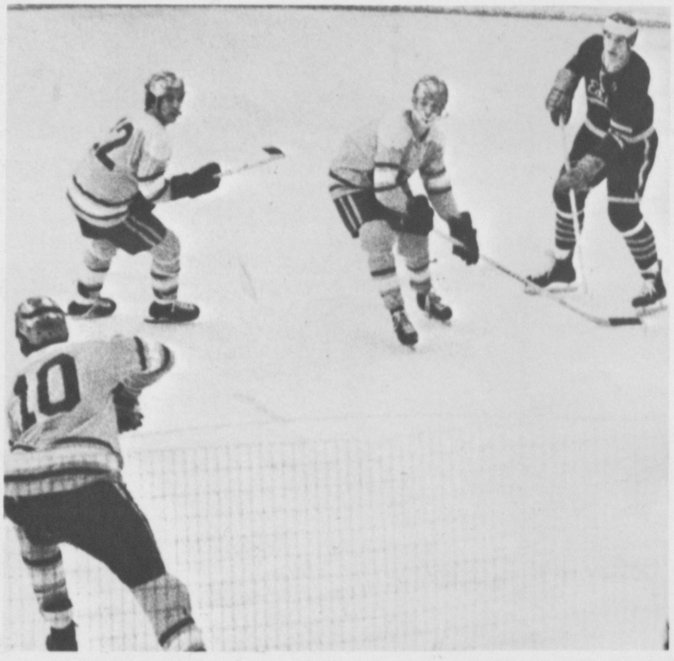

second in the state!
The nucleus of our team is made

In tournament play we
beat Memorial
4-3 and LaFaFollet
8-3 and lost to tough
Superior 3-7 to come in

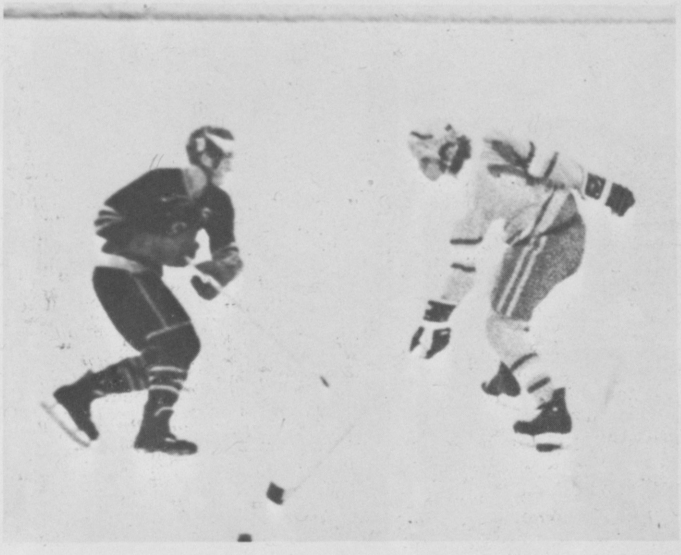

Don Annen, Dave Bryant, Steve Kirley,
Dick Langraf, Forrest Lipke, Mike O'Brian,
Tom Odell, Bill Prince, Jay Simon,
and Jim Teasdale.
With its excellent record
our Regent Hockey Team is assured of a berth
in the State Hockey Tournament,
to be held at the Dane County Memorial
Coliseum, March 4-5-6.
We have not only a strong varsity
but a good junior varsity team also.
They played one official game,
against Waupan, and lost 4-2
But they practiced with the tea

and Coach Hable was pleased
by their participation.
Hockey is becoming
a more and more popular sport
One of the major draw backs has been
that hockey, as well as wrestling and
swimming, has had to compete with
basketball for attendance.
So as a result
a month of Wednesday night, City Series Clashes
were organized. The new schedule
proved to be very successful
as large crowds showed up to cheer on
the PUCKSTERS.

Conflict is the leaven of life! Out of conflicts throughout human experience in the Western world, have come great new ideas, institutions, and opportunities for individual growth.

How conflicts are resolved may well be the mark of an individual's — or a group's — wisdom and maturity.

WHAT CONFLICT? VIVA ACAPULCO GOLD!
